2011 Official State Trunk Highway System Map

According to the provisions of Section 84.02(12) of the Wisconsin Statutes, the Department is directed to maintain and annually distribute maps of each county showing the official layout of the State Trunk Highway System. The attached county map shows the status of the system in your county as it existed at the close of the calendar year 2011.

All county maps and listings of all state trunk network routes, freeway and expressway designations are available on line at: <http://www.dot.wisconsin.gov/travel/maps/sth.htm> These maps and text files are available as Adobe PDF files and are printable on 8.5" x 11" (or larger) size paper.

We will continue to send you yearly updates at the scale of 1/2 inch per mile as required by Wisconsin Statute.

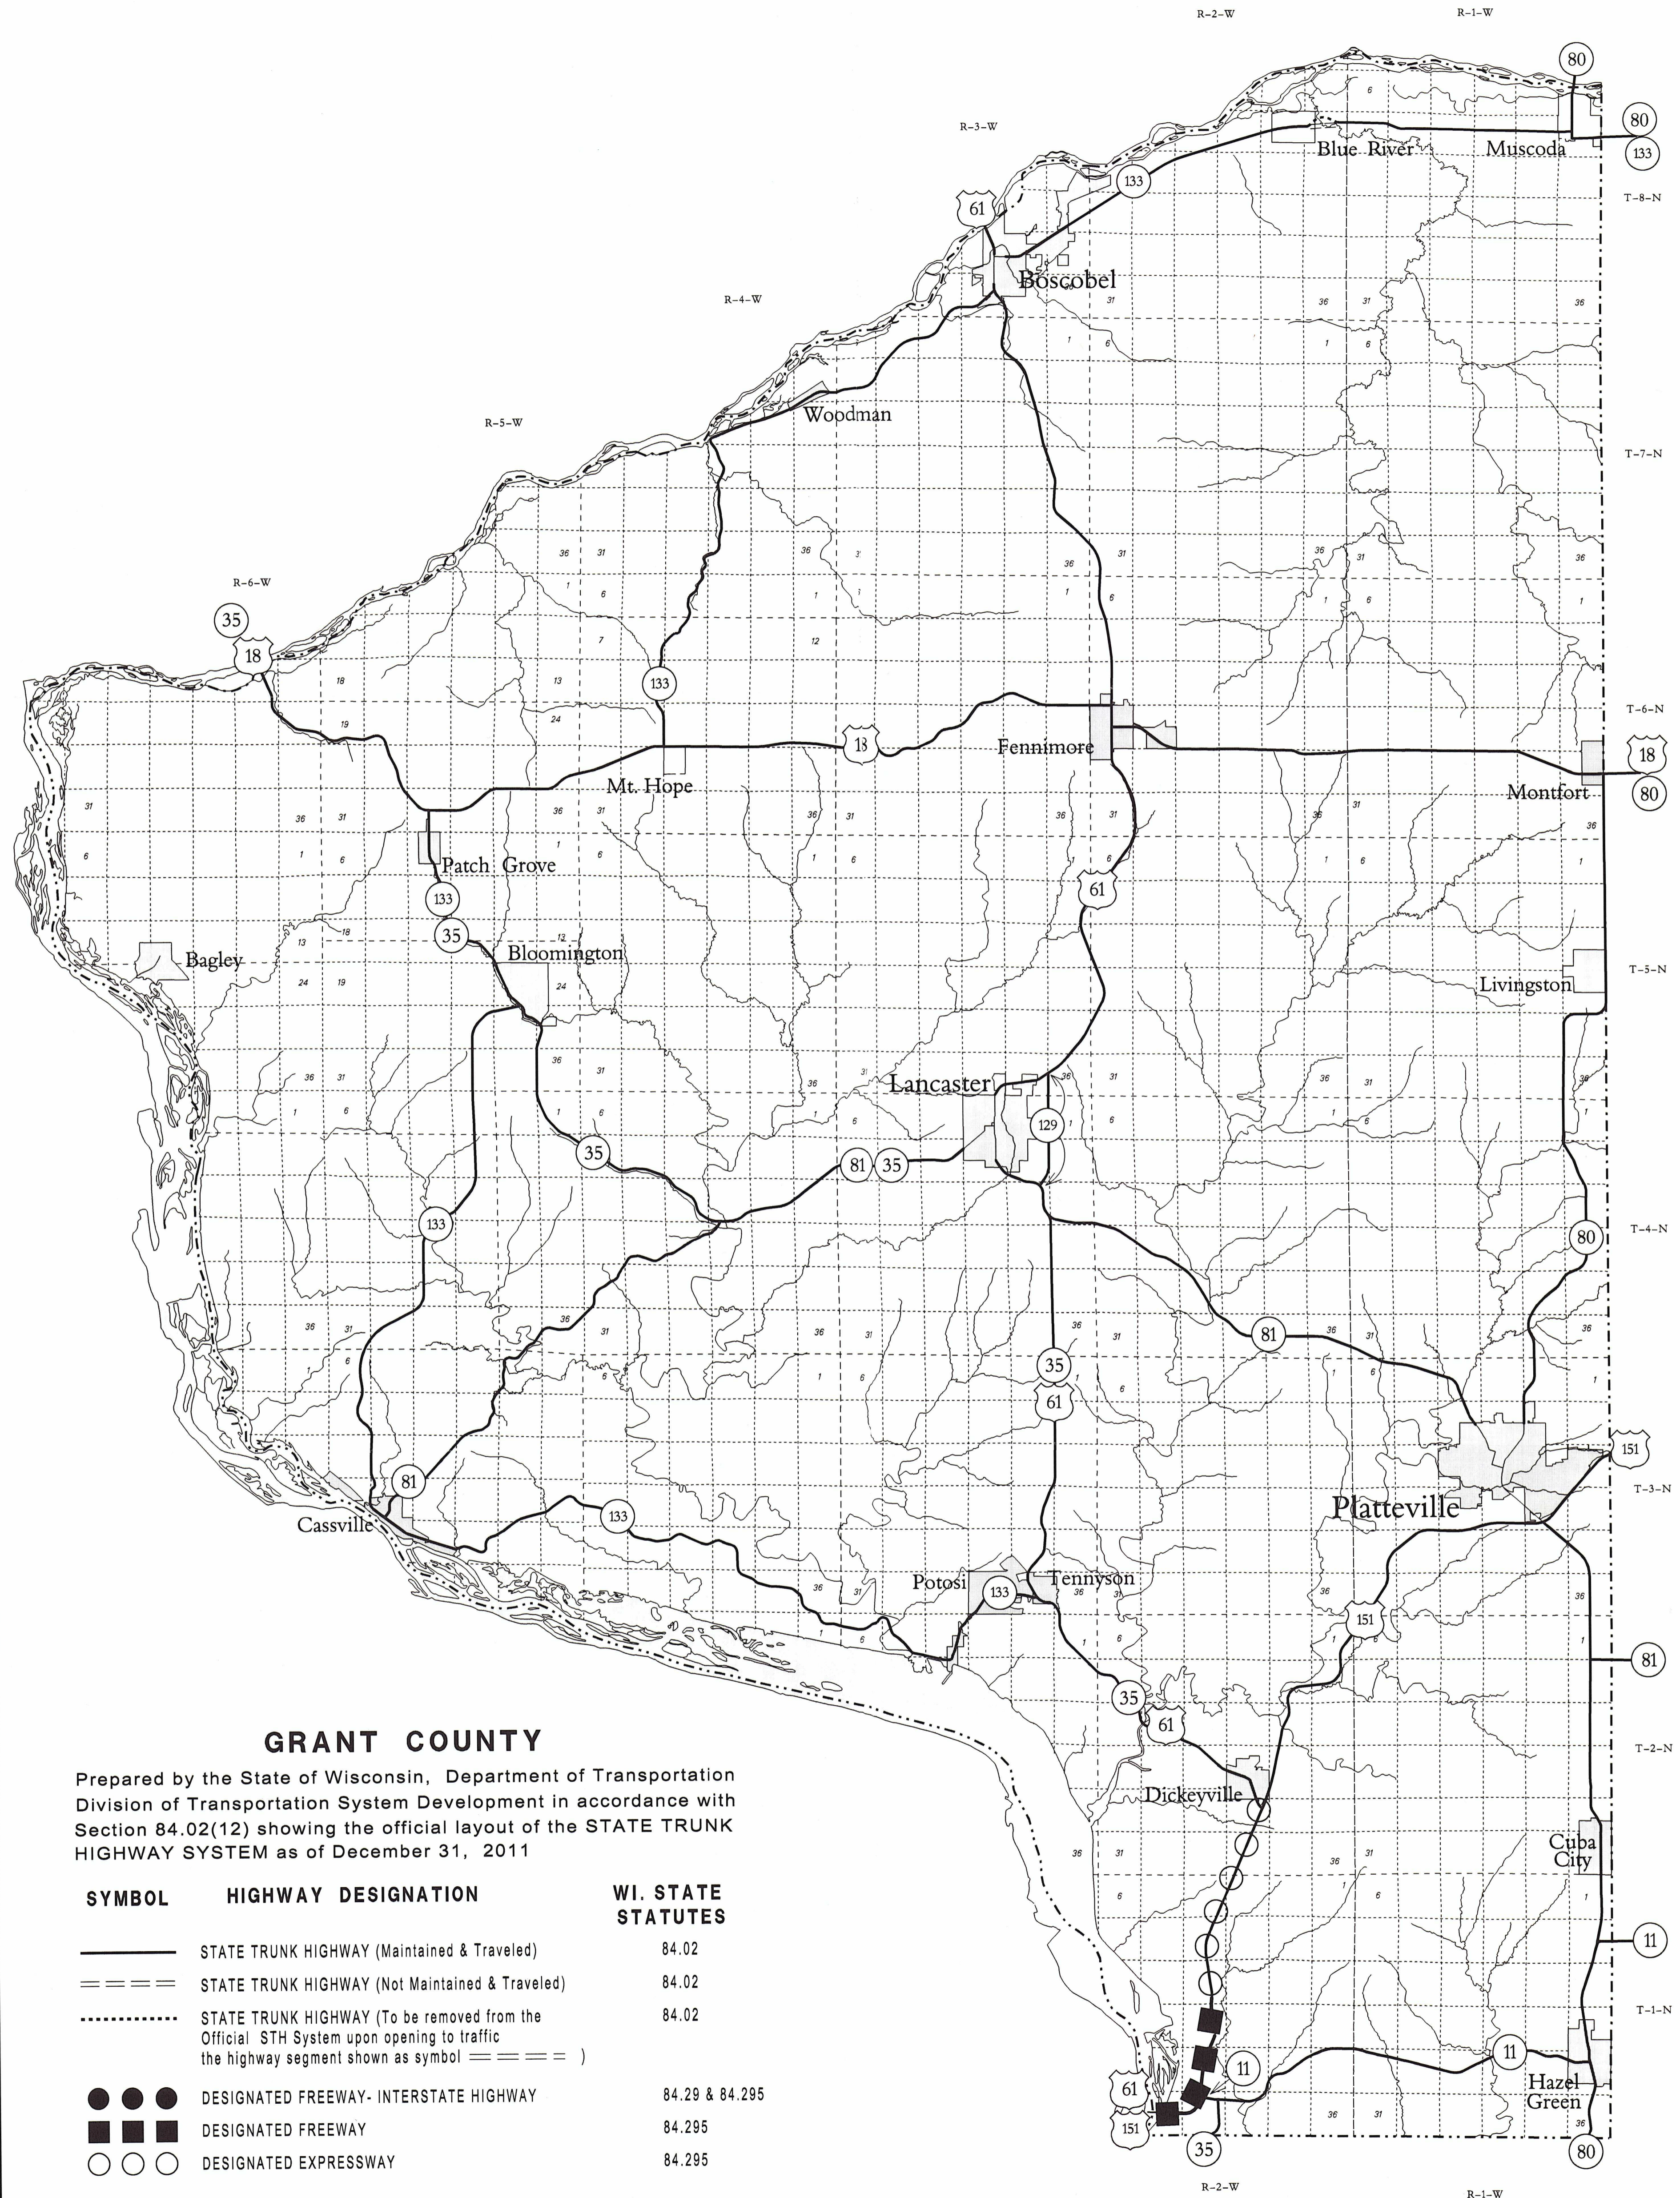

Should you have any questions regarding this map, please contact the Director of the Department's Transportation Region in which your county is located.

Sincerely,

Dennis Hoagland
Engineering Specialist
