Dear Ms. Eck:

Subject: State Trunk Highway System
Jurisdictional Transfer Agreement #46
STH 133 and CTH "O"
Town of Potosi, Grant County

This is to inform you that the Department of Transportation has on July 20, 1992 approved the attached agreement which was executed by the Grant County Board Chairman on June 4, 1992. Under this agreement the state and Grant County agree to the jurisdictional transfer of 0.88 miles of State Trunk Highway (STH) 133 to the County Trunk Highway (CTH) System to be designated CTH "U" and to the jurisdictional transfer of 1.10 miles of CTH "O" to the State Trunk Highway System. These highways being transferred are both in Section 34 and 35 with a short extension into Section 26 of Potosi Township, Town 3 North, Range 3 West, Grant County.

The attached agreement was made under the statutory authority of Section 84.02(8) of the Wisconsin Statutes. Please note that under the terms of the agreement the County will permit the state to reconstruct CTH "O" under state project I.D. 5205-03-73. The jurisdictional transfers of the two roads will be effective when project I.D. 5205-03-73 is completed.

For your information, a separate agreement between the state and the Village of Potosi has also been approved. It transfers the existing portion of STH 133 between the present intersections with CTH "O" and CTH "U" to the Village of Potosi.
