Dear Ms. Carl:

The Department of Transportation deems it necessary to make certain revisions to a previously approved Right-of-Way Plat and to acquire certain lands and interests therein, according to such revisions, for the proper improvement or maintenance of the above-designated project and highway.

Sections 84.09(1) and 32.05(1)(a) of Wisconsin Statutes state, in part, that a copy of the Department's Relocation Order and Right-of-Way Plat shall be filed, within 20 days after its issue, with the county clerk and county highway committee of each county in which such lands or interests are required. It is the intent of this submittal to comply with that law and provide you with a copy to file of the Relocation Order and Right-of-Way Plat for the project. The Relocation Order also indicates by whom the right-of-way will be acquired.

The original of this approved Relocation Order will be retained in this office.

Sincerely,

Bob Rogers
