Dear Sir and Madam:

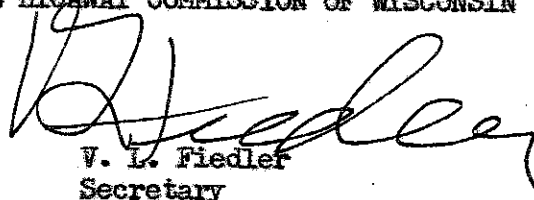

SUBJECT: Project T 08-1(21)
Dickeyville-Potosi Road
U.S.H. 61
Grant County

The Highway Commission deems it necessary to make certain revisions on a previously approved right of way plat and to acquire certain lands and interests in lands according to such revisions, for the proper improvement or maintenance of the above-designated project and highway. The revised relocation order of the Commission and the map showing the highway as laid out and established and the lands and interests to be acquired are transmitted herewith.

The enclosed relocation order provides that the county highway committee shall make the necessary acquisitions of lands and interests not previously acquired, pursuant to Section 84.09(3), Wisconsin Statutes.

Very truly yours

RE: HARRIS, John & Nina
Our N. to O.C. #9191

Dear Mr. Kramer:

This acknowledges your letter of April 17 and you are quite correct in that some of these charges billed to the Village of Patch Grove were charges for another patient by the same name and we have already straightened out this error with the following results:

The claim of \$58.40 should actually be reduced by \$43.15 for the reason that the \$5.05 charge and \$18.80 and \$19.30 charges totaling \$43.15 was medical care which had been granted another person by the same name. We had already, before your letter arrived, sent through a refund in the aforementioned amount plus a request for cancellation of the charges of \$9.65 and \$10.10 as those charges were also for the wrong Nina Harris. Undoubtedly Grant County will very shortly receive the refund if they have not already received it.

We regret the occurrence of this error but it does happen that when patients enter the hospital and have the same name that the account clerk, through confusion, tabulates the charges on the wrong account and we are appreciative of having this called to our attention.

Very truly yours,
MILWAUKEE COUNTY DEPARTMENT OF PUBLIC WELFARE
