SURVEYOR'S NOTES:

Surveyor has made no investigation for easements of record, encumbrances, restrictive covenants, ownership title evidence except as specifically shown on this plat. No distance should be assumed by scaling. No underground improvements have been located unless shown and noted. No representation as to ownership, use or possession should be hereon implied. Refer to abstract, title or local ordinances for any additional restriction, easements or building setback lines. No abstract, nor title commitment, nor results of title searches were furnished the surveyor. There may exist documents of record which would affect this parcel.

Fences shown on this survey were measured at random locations. The fence may meander between fence corners and are shown for reference only. Possession and occupational rights MAY have been acquired to the fence and it is not known if the fence is a fence of convenience or if it is intended to mark the boundary. This survey was prepared with the intent of following the lines shown and described hereon.
