## SURVEYOR'S NOTES:

This survey was prepared for the exchange of land between adjoining land-owners. The South line of the Northeast Quarter (NE 1/4) of the Northwest Quarter (NW 1/4) was previously surveyed by Bruce Cecka dated 5-4-1988. After subdividing Section 22, I believe this South line was incorrectly monumented. Therefore, two Tracts were surveyed for this parcel. Tract 1 was surveyed to the South line of the Northeast Quarter (NE 1/4) of the Northwest Quarter (NW 1/4). Tract 2 was surveyed to the South line of the Bruce Cecka survey. Occupational rights may have been acquired to this line and this parcel may be subject to adverse possession.

Surveyor has made no investigation for easements of record, encumbrances, restrictive covenants, ownership title evidence except as specifically shown on this plat. No distance should be assumed by scaling. No improvements have been located unless shown and noted. No representation as to ownership, use or possession should be hereon implied. Refer to abstract, title or local ordinances for any additional restriction, easements or building setback lines. No abstract, nor title commitment, nor results of title searches were furnished the surveyor. There may exist documents of record which would affect this parcel.
