

Survey made for William Bailey Dec. 22nd. 1876

Corners	Bearing Trees	In. Dia.	Courses they Bear	Links Distant	REMARKS
1	Stone set by some previous Surveyor.				while the Mound and ^{the} bearing tree was in existence
3	Stone				Accepted as a true corner by all parties concerned. probably set by J. G. Leake.
4	Was lost. And lines between 7 + 20				I established it by running from 1 to 1/4 corner between ^{Sec 20 and Section 21} and then running the section line from 1 to 1/4 cor between ^{Section 20 & 21} . Set Stone over hole filled with sand plaster.
6	Stone that was set many years ago				while the original bearing trees were in existence. ^{Stones are now gone} but I dug from stone and dug and found ^{that the stone is undoubtedly} in the right place.
8	Set on straight line midway between 1 and 4.				It is 4 links east of a stone set by Mr Barber some 500 years ago
7	Cedar stake in highway				

This survey was made to locate the corner at 1 and 8 and to establish the 1/4 line from 6 to 8.

CERTIFICATE OF SURVEY.

STATE OF WISCONSIN, } ss. *J. C. Scott*, County Surveyor in and for the County
 GRANT COUNTY, }

and State aforesaid, do hereby certify that I have executed the Survey represented by the foregoing Plat and annexed Field Notes of Survey, in accordance with the State Laws and Instructions of the Commissioner of the General Land Office. Scale, 80 chains to 4 inches. The figures in red ink are the lengths of the lines as stated in the Field Notes of the Government Survey.

Declination of the Magnetic Meridian from the True Meridian East. The variation of needle adopted in establishing corners is East.

WITNESS my hand this 11th day of January A. D. 1882

Thomas Beardsley } CHAINMEN.
