RELOCATION ORDER NO. II

RELOCATION ORDER TO ACQUIRE PERMANENT  
CONSTRUCTION AND MAINTENANCE EASEMENT  
FOR THE CITY OF BOSCOBEL

(Sewer easement to manhole)

THE COMMON COUNCIL OF THE CITY OF BOSCOBEL, GRANT COUNTY,  
WISCONSIN FINDS AND DETERMINES THAT:

For the purpose of acquiring a permanent construction and maintenance easement for the City of Boscobel to use for the installation of utility mains in connection with extensions, additions and improvements to the sewage system of the City of Boscobel commencing at an existing manhole of the sewage system of the City of Boscobel and running to the intersection of Park Street and Grey Street in the Sitts Addition to the City of Boscobel, the following easements are required.

Said easement for the above described purpose consists of two easements more particularly described as follows:

FIRST EASEMENT

SEWER EASEMENT TO MANHOLE "A" OVER MILO SITTS PROPERTY

A strip of land 50 feet wide for a permanent construction and maintenance easement located in the SW 1/4 of the SW 1/4, Section 26, Town 8 North, Range 3 West, City of Boscobel, Grant County, Wisconsin, to wit:

Commencing at the Northwest corner of Sitts Addition to Boscobel; thence South  $0^{\circ} 02' 44''$  West, 33' to the point of beginning of a strip of land 50' wide and lying 25' on each side of the following described line; thence North  $88^{\circ} 51' 21''$  West, 706.63' to the point of termination of said reference line and strip description, said point lying in the centerline of Sanders Creek.

SECOND EASEMENT

SEWER EASEMENT TO MANHOLD "A" OVER RAY SITTS PROPERTY

A strip of land 50 feet wide for a permanent construction and maintenance easement located in the Southwest One-Quarter of the Northwest One-Quarter, Section 26, Town 8 North, Range 3 West, City of Boscobel, Grant County, Wisconsin, to wit:

Commencing at the Northwest corner of Sitts Addition to Boscobel; thence South  $0^{\circ} 02' 44''$  West, 33'; thence North  $88^{\circ} 51' 21''$  West, 706.63' to the point of beginning of a strip of land 50' wide and lying 25' on each side of the following described line; thence continuing North  $88^{\circ} 51' 21''$  West, 159.84' to the point of termination of said reference line and strip description.

Attached hereto and hereby made a part of this Relocation Order is a plat entitled "Boscobel Waste-Water Treatment Plant, Number 785162" showing the permanent construction and maintenance easements described herein.

Said permanent easement is to be an easement in perpetuity for the purpose of constructing, operating, maintaining, inspecting, removing, replacing and reconstructing one or more sewer mains, manholes and other appurtenances on, over, under and across a strip of land as particularly described in the above descriptions set forth herein, and on the plat attached hereto. Said sewer main to be constructed at this time is an interceptor sewer main to connect the collection system of the City of Boscobel sewage system from a point described as Manhole A to the intersection of Park Street and Grey Street in the Sitts Addition to the City of Boscobel. Since this improvement is the construction of a new sewage treatment plant at a new location, this easement is not replacing a former easement of the City of Boscobel.

Pursuant to its authority under chapter 32 of the Wisconsin Statutes,

THE COMMON COUNCIL OF THE CITY OF BOSCOBEL, GRANT COUNTY, WISCONSIN HEREBY ORDERS:

That said permanent construction and maintenance easement above described and identified by legal description and on said plat attached hereto is hereby laid out and established to the lines and widths as shown on said plat and as above described for the purposes above detailed. That said plat is hereby incorporated in this Relocation Order by reference hereto,

In addition to this Order being included in the minute book as part of the minutes of the meeting of the Common Council of the City of Boscobel held on April 4, 1979, a duplicate original shall be placed in the permanent Relocation Order file of said City with a copy of said plat attached thereto. Said duplicate original of said Relocation Order shall be signed by the Mayor and City

Clerk and dated the date of the adoption of the resolution adopting this Relocation Order and said plat shall likewise be signed and dated, thereby becoming an official record of this proceeding. Certified copies of this Order shall have said plat attached thereto and incorporated as a part of said copy.

Dated this 4th day of April, 1979.
