INV# 10388

This report is not a survey as defined under the laws of this state. The information relating to lot dimensions and lot shape is based upon public documents, not field measurements, the location of improvements is based upon field inspection with respect to apparent property lines. The purpose of this report is to provide the above named institution with data for making an underwriting decision. It is not intended to be used for the construction of fences, driveways, garages, houses or other structures. It is, in no way, intended to be used as a basis for determining property lines. This report is not a part of any Title Commitment.
